CAUTION

Read before assembly

- This is an assembly model. Please read the assembling instructions carefully before beginning assembling.
- Tear and discard the plastic bags contain parts after taking out the parts inside since the plastic bags may cause suffocation if small children place the bags over their head or swallow those.
- Please sand the wood parts neatly with a sandpaper or the like, and dispose the wastes from polishing in a rubbish bin. Please be careful not to get injured, as they are easily broken.
- Some parts have sharp edges. Please do not use them for any other purposes. Take extra cautions if you have small children.
- Some parts are small. Please do not swallow them by mistake. Take extra cautions if you have small children. Accidental ingestion may cause
- You may need to use nippers, knives and files for assembly of parts. Careless handling may cause injuries by the tool edges. For children younger than 12 old, parents or a guardian must attend and carry out handling the tools.
- Please pay attention to the following tips for using adhesives and paints:
 - Do not use them in an enclosed room. There is a danger of intoxication.
 - Never use them near the source of flame. There is a danger of ignition.
 - Do not put cement or paint in your mouth, eyes. If ingested or taken by mistake, please wash away with a large amount of water immediately and consult a doctor.
- Please note the parts are subject to change without prior notice.
